

## Summertime is here!

The summer heat hit with a quickness this year, but the Roby team isn't afraid of a little sweat! From custom home construction, major renovations and additions to smaller handyman repairs or around the house projects, the Roby Family of Companies is ready to brave the heat and get to work!

## Escape to the Mountains

One sure way to beat the heat is to head to the High Country. If you're dreaming of building a home away from home in the mountains, we have a talented team of folks in Boone, N.C. waiting for you! Our Andrew Roby Mountain Division has experience building new homes from the ground up that take full advantage of the beautiful views and cooler temps, or can help you renovate an existing home. Call them today at 828.963.4747 to start the conversation.

## Protagonist Clubhouse

If you can't make it to the mountains for a cool down, the next best thing is a cold beer at Protagonist Clubhouse, NC's newest taproom and nano-brewery. Our Roby Commercial team, alongside Clark Design Collaborative and Brand Bureau out of New York City, recently transformed the 1,700 square foot space, formerly occupied by Nuka Grocery in the Flat City Building, into an intimate tasting room with 28 taps and a kitchen offering small plates and bar snacks. If you're looking for a new place to spend a lazy summer afternoon, check it out.

Up next for the group - A larger brewery operation near Parkwood Station in Optimal Park opening at the end of 2020!

## Roby Rock Star

John Moriarty was a member of the Andrew Roby team for 4 years. Sadly in May, after a short but intense battle with cancer, John passed away. To honor his dedication to the company, his teammates nominated him for this quarter's Roby Rock Star award.

Clients, subs and vendors, and the entire Roby family will remember John for his easygoing demeanor, attention to detail, and commitment to a job well done. He was a hard worker, skilled craftsman, and reliable employee. He was also a wonderful husband, father and friend. John truly was a Roby Rock Star and we were lucky to have him as a member of our team.

Please keep John's family in your prayers during this sad time.

## Meet the Family

Andrew Roby, Inc. was founded in Charlotte, NC in 1950 and is a third generation, family owned company. What started as a simple, one-man remodeling firm nearly 70 years ago has expanded across the state with offices in Charlotte and Boone, NC. Specializing in custom homes, remodeling, and kitchen and bath renovations, Andrew Roby "makes it home" for clients through exceptional quality, craftsmanship and customer service for life.

Roby Services was established in 2018 to bring Roby Electric, Roby Handymen, Roby Heating & Cooling and Roby Plumbing (formerly W.H. Hobbs Plumbing) under one umbrella. That way with one call, you have the best specialists at your door!

Founded in 2008, Roby Commercial is focused exclusively on commercial projects crafted with the same exceptional quality and care our clients have enjoyed since 1950.

Roby Realty, established in 2015, brings over five decades of experience in both residential and commercial real estate, focused on the premier properties available within the greater Charlotte area.

Each fall, the Roby Family of Companies hosts its annual 'Pitchin' for Wishes Cornhole Tournament to raise funds for Make-A-Wish Central & Western NC. Over the last 11 years, thanks to generous sponsors, donors and players, the event has raised over \$1.6 million for the foundation and other local charities.
